

SEPTEMBER 2023 E-TAILS

A Message From Our Executive Director

Dear Friends,

It's hard to imagine that today is the first day of September, and fall is just around the corner. Where did the time go? It's been a busy summer at ARRI, where our dedicated staff placed 165 pets in loving homes between June and August. With families to call their own, those cats and dogs are enjoying lives they could never have imagined, giving and getting love every day – and we owe **you**, our supporters and donors, HUGE thanks for making it all possible! ARRI is changing lives every day, and we couldn't do it without you.

With gratitude,

Liz Skrobisch

Foster Urgently Needed

We need your help! Our sweet River is not at ease here at the shelter and is seeking a comfortable foster home to feel more calm and relaxed.

River is a petite girl, only about 35 pounds, so she won't occupy much space in your home or on your couch. Her ideal environment would not include other pets, so that she can feel totally comfortable during her time with you. She adores people and would love to be someone's new cuddle bug!

River is ready to give lots of love to anyone who will love and welcome her into their home. Whether her stay with you is short-term or long-term, **your impact will be everlasting!**

If you'd like to foster River, please fill out the application by clicking below. If you can't foster, please help River by sharing her story! For questions, please call (401) 783-7606 x105.

Thank you!

Thank You For A Successful Rockin' For Pets

We'd like to express our gratitude to everyone who came out for the 3rd Annual **Rockin' for Pets** food drive held on Sunday, August 20th. This year was again a BIG success with over 900lbs of food collected and \$1,400 raised!

A big shout out to Scott Cordeiro and Francine Iannuzzi-Cordeiro for organizing this event. We're also giving BIG thanks to the East Providence Yacht Club for hosting us again, as well as the talented musicians The Soapbox Saints, The Teledynes, and 6L Camino for entertaining the crowd with their great music!

Pet of the Month

Georgia is a sweet and loving puppy with a personality that shines through, making her a hit everywhere she goes. She loves interacting with new people and romping and playing with other dogs. Georgia loves exploring new places, likes her toys and treats, and is a quick learner! She also LOVES a good snuggle session and hopes to find a family who is as into naps and Sunday snoozes as she is.

To meet Georgia, please complete the adoption questionnaire below:

Happy Endings

Our goal is to bring best friends and families together, and it's truly gratifying when we're able to find homes for our furry friends!

Lilac (I call her Lyla now) is my little grey bundle of energy who is simply amazing! This cat is a wonderful, marvelous joy! She is sweet, affectionate, playful and crazy - she makes me laugh all day! She has toys and a tunnel and a giant carpeted tower to scratch and play on and sleep on and she enjoys it all.

I can't tell you how much better my life is now that I have Lyla. She is my best friend. I am madly in love with my darling kitty and she is growing up strong and healthy and happy.

Good morning, Jennifer and ARRI team!

Thank you for checking in on Cookie's status! Our girl is doing very well, full of energy, spunk and puppy behaviors as she approaches her 7-month mark.

Cookie has been a great companion for all of us, keeping us on our toes (and sometimes on the couch for her mid-morning naps) throughout the summer!

Thank you for the work that you do for so many pets and families!

I recommend your shelter to everyone
because the cats there are cared for so
well.

Bill and family
And Cookie, too!

Thank you so much!
RoseAnn
