

MARCH 2024 E-TAILS

A Message From Our Executive Director

Dear Friends,

As spring approaches, there's a new energy in the air and even the dogs and cats seem to relish the longer days. Everything feels livelier, and that's certainly true at ARRI.

Our Sweepstakes is going on through May 1st, FurBall will take place on June 14th, and Bark on the Beach is happening on September 28th. Staff and volunteers are hard at work on all of those already. Additionally, we're patching the kennel floors this month, and we're working to place our dogs in short-term foster homes while the work is underway.

Details on all the happenings coming up at ARRI are below. See something interesting and you'd like more information? Call or email us. We're always happy to answer your questions,

and we look forward to seeing you at our events over the next few months!

With gratitude,

Liz Skrobisch
Executive Director

URGENT: Short-Term Dog Fosters Needed

Will you lend us a paw? ARRI is repairing its kennel floors from **March 18th through March 24th**, and our dogs need a safe, loving place to stay while the work is underway.

If you've ever thought about fostering, this is a great chance to try it! Our dogs would be so grateful if you would open your home for this one-week commitment. ***We provide the supplies; you supply the love!***

For more information about fostering one of our shelter pets, please call us at 401-783-7606 x105.

We Can't Wait To See You At The FurBall!

"I'm honored to partner with Animal Rescue Rhode Island (ARRI) to chair the 2024 FurBall. This every-other-year event highlights and celebrates ARRI's commitment to rescuing companion animals as well as helping to assure the welfare of homeless pets.

As a member of the ARRI Board of Trustees, I regularly see the significant impact of ARRI in the community. The magic that comes from uniting homeless animals with loving families is what makes ARRI such a special organization.

I look forward to seeing you at the 2024 Animal Rescue Rhode Island FurBall!"

Pet of the Month

Introducing Little Bit, the energetic senior with an adventurous spirit! At 11 years young, she's full of surprises, especially when she breaks out into playful zoomies. With a warm welcome for all who enter her domain, she quickly shares her affection through gentle headbutts.

Little Bit keeps tabs on her humans, ensuring everyone is accounted for. Her favorite pastime? Observing the world from her lofty perch, where she is ever vigilant and curious about her surroundings.

If you're interested in meeting Little Bit, please complete the adoption questionnaire by clicking below, or stop by the shelter today.

Happy Endings

Our goal is to bring best friends and families together, and it's truly gratifying when we find wonderful homes for our furry friends!

Chloe is doing just great. She is so affectionate and funny. Loves her morning walks, chasing squeaky balls, going in the car. She has been to places that are dog friendly, like Home Depot. I even took her with me to the E. Greenwich town hall when I got her license because they are ok with dogs, and they thought she was sweet. We are all totally in love with this wonderful friend and new family member, and fortunate to have been able to adopt her.

Victor

We wanted to update you on how our beautiful Queenie is these days! She has made herself right at home and settled in very quickly, almost as if she had always been here.

We're enjoying her playful and chatty nature! She's very affectionate and loves to be wherever we are. She's enjoying watching the birds and squirrels at the feeders. We've made a new feeding area right outside her own special window seat, so she has "kitty tv" to watch if she's not napping in the sunshine.

All in all, I'd say she's a perfect fit for our family. We thank you for taking such great care of her until we could bring her home, and for the wonderful service you provide to all those precious animals as they await adoption.

*Sincerely,
Pam and Amanda*
